And if you use our superior bespoke tailoring, pattern making and alterations service this is what you get:

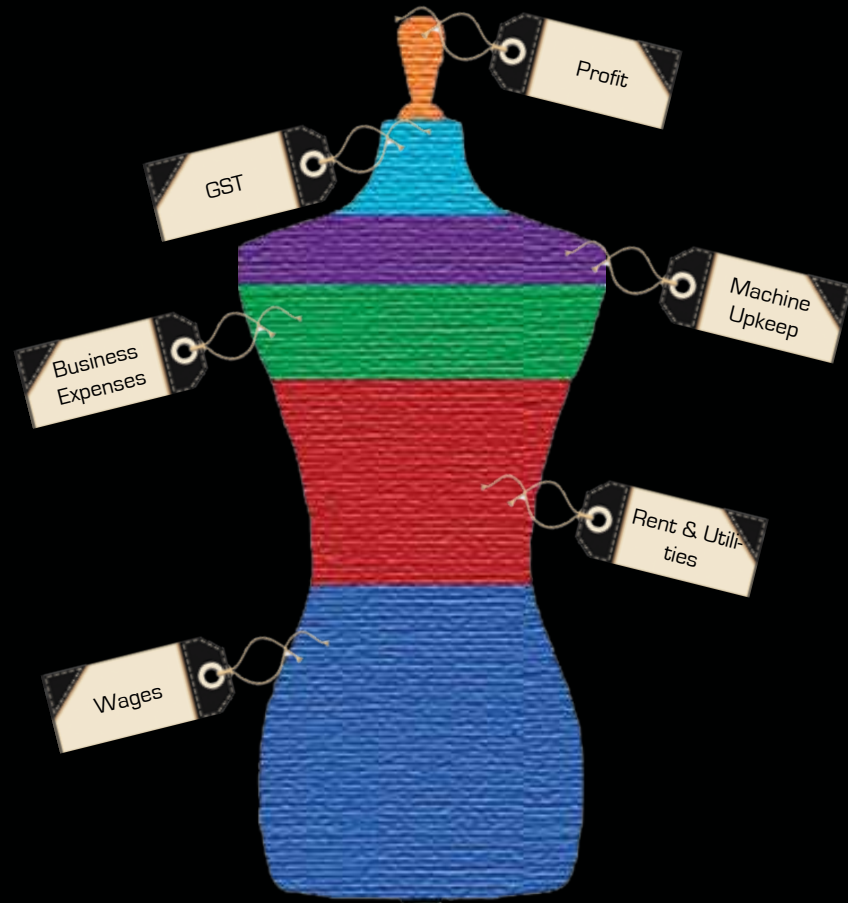

- A hands-on proprietor with more than 25 years' experience in the business.
- Detailed garment making and alterations – no shortcuts!
- Careful handling of your precious garments and materials.
- Up-to-date machinery and equipment kept in top-notch condition.
- Stunning alterations to make out-dated clothing new again.

We do not sacrifice quality or service for price – your clothing deserves the special attention that The Tailor's Room gives to each and every job.

# Fees

Our hourly fee of \$140 (GST inclusive) covers rent and utilities, business expenses such as superannuation and insurance, and staff wages. And, unlike some other companies that use clothing outworkers, our staff are well –renumerated and treated like family . Since starting business in 1994, Australia’s consumer price index (CPI) – which tracks pricing and inflation - has nearly doubled and this has been reflected in regular hourly-rate increases over that time.

# Feedback

As customer service is our focus, we welcome and act on all feedback.

We believe our tailoring experience and end product is second-to-none. If, however, you wish to discuss any queries or concerns, we are more than happy to make an appointment for a personal consultation.

Alternatively, should you want to raise an issue more formally, we ask that you address your points in writing and return the garment for assessment.

For pricing queries or concerns,  
please contact us for an appointment.
